

**Penn State Shenango  
Alumni Society Mission:**

*Stimulate the continued  
interest of all graduates and  
former students of the  
Shenango Campus. Act as an  
informal advisory board to the  
chief administrative officer of  
the Shenango campus. Provide  
additional avenues for identification,  
contact and representation of alumni  
within the Penn State Alumni  
Association and each Constituent  
Society. Provide a means whereby  
alumni may join together for the  
enrichment of their respective Colleges  
and the University in its entirety.*
